commitment to transparency. With a strong focus on educating the market about crypto as an asset class, Virtune actively engages retail investors, financial advisors, and institutions.

The company has also swiftly expanded its product portfolio, which now includes 13 ETPs with a total AUM of \$275 million. The company's largest ETP, Virtune XRP ETP, was listed on Nasdaq Stockholm on July 2, 2024, and Nasdaq Helsinki on January 20, 2025. In 2025, Ripple invested in the product.

Virtune offers single-asset ETPs that provide exposure to a single crypto asset, staking single-asset ETPs that offer exposure to a single crypto asset combined with staking rewards, and index ETPs that provide broad exposure to multiple crypto assets with monthly rebalancing.

Virtune's product portfolio currently includes the following ETPs:

- Virtune Bitcoin ETP
- Virtune Staked Ethereum ETP
- Virtune Staked Solana
- Virtune Staked Polkadot ETP
- Virtune XRP ETP
- Virtune Avalanche ETP
- Virtune Chainlink ETP
